### **Crow Wing SWCD to host Lakeshore Lunch and Learn event**

CROSBY – The Crow Wing Soil and Water Conservation District (SWCD) invites lakeshore property owners to attend its upcoming Lakeshore Lunch and Learn event on Saturday, May 17, in Crosby. The event is designed to educate landowners on shoreline best practices, common issues and available technical resources.

Attendees will hear from a variety of experts, including representatives from the Minnesota Department of Natural Resources, Crow Wing County, a shoreline restoration specialist, Crow Wing SWCD staff, and local property owners who have successfully completed shoreline improvement projects.

“This event is about empowering lakeshore owners with the knowledge and tools they need to protect their shorelines,” said Melissa Barrick, Crow Wing SWCD Manager. “It’s also a great opportunity to connect fellow lakeshore owners and professionals who are passionate about preserving our natural resources.”

The event runs from 9 a.m. to noon and will be held at Heartwood Living, 500 Heartwood Dr., in Crosby. The cost to attend is \$5, which includes lunch. Registration is required by May 3 and space is limited. To register, visit [www.cswswcd.org/trainings](http://www.cswswcd.org/trainings) or call (218) 828-6197.

This event is made possible with funding provided by the Minnesota Board of Water and Soil Resources through the Clean Water Fund.

The Crow Wing SWCD provides local leadership and implements voluntary soil and water conservation projects through programs and partnerships throughout Crow Wing County and surrounding areas.
